Our
Impact

Our mission is to empower our neighbors to lead healthier, more productive lives by addressing the root causes of poverty. Through nutritious food access, education, and resources, we foster independence and self-sufficiency.

A woman wearing a grey hoodie, a black beanie, glasses, and blue gloves is sorting through a large purple mesh bag of produce. She is wearing an orange apron with a logo that includes a hand and a shopping cart, and the text 'CARE' and 'nyc.org' is visible on it. In the foreground, there is a black bin filled with fresh carrots and green leafy vegetables. In the background, metal shelving units are stocked with various food items, including cans and bags of rice. The setting appears to be a food bank or a community kitchen.
